Grumbler '73—Putting it Together

Mr. Peter Templin, Grumbler Staff Advisor

The production of a yearbook is a king-sized task. This everyone appreciates on at least one day- that is, today, the day you are reading this volume.

For most of the student body at K.C.I., the Grumbler is something they expect to receive, every spring, of high quality and reasonable price because tradition has made it that way. For those same people, for three hundred and sixty-four days a year there is little concern for the small number of people and the tremendous amount of their work that make the Grumbler a memorable publication. So that if you are a reader and you think a word of thanks is due for Grumbler '73, give it to any or all of the editorial staff members next time you see them. But, better still, resolve now to come out next year and help in future productions. Keep your ears open in September '73 for annoucements about Grumbler organizational meetings. You can help and you will be welcome!

But to part of the KCI student body must go a very special thanks. They are those dedicated people responsible for this issue. They are editors, writers, artists, photographers, typists, advertising salesmen and a hundred and one others who devoted hours- many hours- to this successful edition of the Grumbler. They will carry forever memories of hard work, frustration and achievement in the production for this volume and few will say they wouldn't do it all again if they had another chance. They are worthy of our praise as the preservers of the proud tradition that is KCI!

P. Templin.

A lot of people helped with all the odds'n ends involved in producing a yearbook. Their help was invaluable. They included- Jill Cross, Cathy Burn, Cheryl Weber, Diane Bergen, Karen Tuchlinski, David Pohl, Jim Oswald, Cynthia Carlisle.

Thanks also to all those who contributed literary and artwork, to everyone who helped identify pictures and to Mr. Templin, Mr. Caesar, and Mr. Eccles for their help and understanding.

A school is a building and an institution, but more important, a school is people - individuals who, in effect, create the school. In Grumbler '73 we have tried to show KCI, not as just a building and classes, but as a meeting place of people and ideas.

We used the theme, 'Nostalgia' and at several places in the book we have made use of pictures from old yearbooks. We hope you enjoy them as much as we did.

Being editor this year has taught me alot. I was at times confronted with enthusiasm and willingness, but more often with irresponsibility and apathy.

We've had our misunderstandings and arguments, but now that its all over, I'd like to say thanks to everyone for their help and co-operation in the production of Grumbler '73. I'd also like to apologize for any omissions or mistakes which occur in this issue.

Lynn

Here, I call our exciting history periods Lynn.

Marilyn Anthes, Susan Day, Lynn Cross, Editor.

Jean Campbell, Head Girl
Sandy MacIntyre, Head Boy

The year has passed so quickly that already we find it is time to say goodbye and thank-you. What we learned during our time as Head Boy and Head Girl is something neither of us would want to trade. There were good times and of course a fair share of bad times.

To Mr. Eccles we say thank-you for patience and advice, to Mr. Craig for understanding and the executive for help.

For those who will never return to KCI may you have success and happiness and to the undergrads who plan to come back, give some of yourself to the school.

For us it is the end of high school life but for you next year is a new beginning. Use the opportunity.

72-73 was an enjoyable year for both of us. Thank-you for all you have given us. We close as usual.

Principal's Message

One of the greatest challenges we will have to face ever is before us now; the challenge is to match our educational programmes to the individual needs of the student and to the demands and needs of the community.

The Credit System in which the student has freedom of choice in selecting courses and in which promotion is by subject does much to meet part of the challenge. Liaison with business and industry through the research that our technical and commercial departments are doing at the present time will help us to meet another part of the challenge.

The Semester Programme, to be introduced at K-W C & V S in the fall of 1973, will achieve the following goals:

(a) the student will concentrate on at least three and not more than four subjects in each semester. The success of the Waterloo County Board of Education's Summer School programmes indicates that such concentration creates greater interest and allows greater intensity of study which results in better achievement.

(b) the student will be responsible to three or four teachers in each semester; the assignments and homework will be in three or four subject areas rather than in seven or eight as is now the case.

(c) periods three and four, which are the lunch periods, overlap; thus each teacher and each student is guaranteed at least thirty-seven minutes for lunch. Classes will be finished at three twenty-one which will allow for greater involvement in extracurricular activities.

(d) student timetables generally will be more compact than previously, with fewer spares.

(e) teachers will see half their students each semester; this should deepen the staff-student relationship and promote the type of co-operation among the parent, the student and the teacher which is necessary for academic success.

For these goals to be reached, much hard work and dedication by staff and students are necessary. Semester timetabling, involvement with the community, and the Credit System can only benefit and improve the educational environment at K.C.I. if we all give our best.

My sincere congratulations to the editors, the staff and the sponsors of the Grumbler for a very fine Yearbook.

Mr. Bob Henry

SEATED: Maurice Flynn, John McGill, William Scott, William Rafferty, Joseph Minke.
ABSENT: Gordon Grimm, Cecil Arnett, Siegfried Pitschner, Earl Crowther.

Kitchen Staff
LEFT TO RIGHT: Mrs. Harbridge, Mrs. Schul, Mrs. Prest, Mrs. Ogram.

Red Flynn, Scotty Rafferty who are retiring this year after 25 and 15 years service with KCI respectively.

To Our Custodians

We have paid all due attention
To the members of the school
We have made all due mention
Of scholar and of fool.

The names of all are proffered
Regardless of position
Yet amongst the names here offered.
We have made one grave omission.

I speak of the men the whole school knows
The men who clean up the disorder we make
And patiently fix the things that we break
When something goes wrong we cry as one man
"Go get the janitor as fast as you can!"

The hard working partner in all that we do
We offer this tribute, the janitors, to you.
You stoke up the furnace and sweep up the hall
But the real job you do, is take care of us all.
So up with your glasses, and drink with the rest
Long live the janitors in KWCVS.

an adaptation of a poem written by Farley Mowat for his high school yearbook.

HER

Again today I saw her,
Alone
In a world filled with people,
Reaching
For someone or something,
Needing
The companionship of a sincere person,
Wishing
For a feeling of fulfillment.

Why can't she see her loneliness is her own decision?
She has just to reach a little farther,
Possess just a little more confidence,
Hoping will get her nowhere.

The persons who could cope with life alone
Are the people who make the best of what they have.

Maybe tomorrow when I glance at her reflection
She will have accepted she has as much to give as everyone else:
And she will no longer be
Alone.

THE PARK

There is a mirage in this asphalt desert
called
the Park.
It is so important,
the city officials,
have a special place for it in their budget.
The Park stands where the parking lot would have,
had Fate decreed it.
The trees that stand there in perfect rows
were selected for maximum shade and minimum care.
Each flower in the rectangular flower bed
is two and three-sevenths inches from the next one.
The grass was specially transported
by Van Hugh Trucking Service
from a field outside the desert.
The green hedges get clipped once a week
by the city gardener.
There is even a real live brook
that was put in two months ago.
The out houses were painted orange last year,
and this year
the trash cans will match.
There is a mirage in this asphalt desert
called
The Park.

ADELINE

Like a little baby
she sat and rocked
ceaselessly
back and forth
creaking and squeaking
her bones and the wood
her fingers stiff with arthritis
and her toes blue with the cold.
She shut her eyes
and visions of her life
came to her-
the time she had been
so happy because
she was allowed to go swimming
with her brothers in the water-hole
and when she had first touched
cold snow-so long ago-
all so long ago.
She touched the old and
weathered lace on the edge
of her yellowed dress
and she thought of the day
she had been married
so long ago-all so long ago-
everything done and finished now-
everything over-
her life had been lived
she was finished
she would lie, an empty shell
in the earth, but her soul
would burn on forever.

Special Events

The Special Events Committee has had a really busy but fun year. Opus II played at the successful formal, while Father and the Robbie Charles Trio played at our other dances.

A juke Box helped by both adding to the atmosphere of the common room and at the same time contributing funds to the needy projects within the school.

Special Events t-shirts donned by all, brought out the true blue of our members.

Through these and the fantastic leadership of Mr. Woodley, Special Events has been nothing but great times this year.

SIXTH ROW: Carol Spencer, Jane Pavanel, Rick McCurkindale, Fred Ludolph, Mark Helwig, John Pavanel, Rob Konarski, Nancy Bergen.

Torch Exec.

The aim of Torch this year was to rescue a fallen committee and establish it once again as a working committee to aid local charities. We had two major projects: two week-long collections; and the adoption of a poor family from Christmas. Thanks to superb publicity, as well as help and suggestions from many students, all our plans this year were successfully completed.

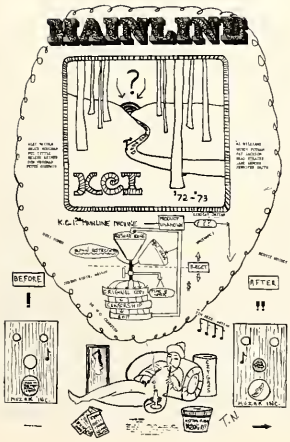

FIRST ROW: Mary Spencer, Jennifer Clark, Jill Shaver.
SECOND ROW: Evelyn Fengler, Ulli Schroeder, Joan Mitchell.

Awards

FLOOR: Rosie Hoefler, Duncan Cunningham, Mary Litwiller.
FIRST ROW: Peg Tittle, Janice Alexanian, Diane Bergen, Caryl Paikin, Cheryl Weber.

Tech

FIRST ROW: Mike Frey, , Mike Doer, Carl Dietrich, Jeff Paleczeny.
SECOND ROW: Mr. Nelson, Dave Shoemaker, Lutz Meissguier, , Mr. Usher.

Cadets

Bowling

This year marked the birth of a new club in K.C.I. - the bowling club! Small, but mightly, this team boasts a total membership of twelve. Hopefully, the bowling club will participate in the inter-collegiate games but otherwise it will simply continue to bowl at Waterloo Bowling Lanes. Under the teacher sponsorship of Miss Dennis, this club will continue to have an enjoyable time despite our lack of numbers.

FIRST ROW: Martine Biname, Karen Tuchlinski, Alison Prittie, Ann Marie Sperling, Miss Dennis.
SECOND ROW: Bob Heibein, Dave Mask.

Angling

The individual fisherman, or angler, is not merely engaged in trying to catch fish, as it would be cheaper to buy fish at a store. He is trying to understand the fish's environment, and its reaction to it. Organized fishing and hunting associations put far more time and money to better use in conservation work than the fanatical Walt Disney conservationists. The fishing club hopes to foster a stream improvement program, dedicated to pollution control, returning fish, and using more sporting methods, such as artificial flies.

Publicity

FIRST ROW: Nadia Kostiuk, Cheryl Weber, Caryl Paikin.
SECOND ROW: Judy Gillespie, Bruce Fowler, Gord Schmidt, Pat Jackson, Helene Reimer.
THIRD ROW: Mary Jane Christopherson, Donna Rogers, Pete Goodwin, Arlene Barrie, Vicki Dyck.

Poli-Sci.

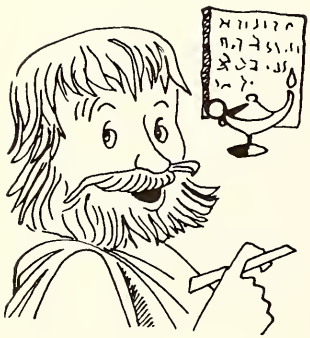

FIRST ROW: Peg Tittle, Liz Gardner, David Anstett, Donna Rogers, Debbie Boyd,
SECOND ROW: Mr. Boulden, Steven Sparks, Bruce Reitkerik, Pete Goodwin, Bruce Hougham.
THIRD ROW: Andy Hughes, Gavin Burness, Jeremy Rudin.

The poli-sci club has had many activities, the main one being a model government. Other activities have been inviting guest speakers to talk on political issues. The club tries to promote an active interest in politics as they really exist.

Writers

The Writer's was very active publishing several magazines during the year. They had a column in Mainline and ran a contest for writing a story about a particular picture.

Several authors visited the school. Edna Staebler invited the club to her home on Sunfish Lake. They used their budget to send a gift to the authors they met to show a token of their appreciation.

The members brought their writing to some meetings for discussion, constructive criticism and encouragement.

Bruce Hougham

FIRST ROW: Peg Tittle, Donna Lynn Gervais.
SECOND ROW: Debby Kieswetter, Joan Ross.

Choir

FIRST ROW: Nancy Hay, Glenda Thompson, Mary Williamson, Nancy Jamieson, Linda Ditner, Wendy Harper, Linda Stolicker, Judy Turner, Mr. Harland.
SECOND ROW: Sue White, Alison Prittie, Gail Marks, Gary Driver, Rob Judd, Carol Davidson, Mary Daily, Dorthy Zimmerman.

FOURTH ROW: Mr. Boldt, Mr. Koop, Mr. Nelson, , , , Steven Holmes, Ron Allenson, Mr. Spencer.

AFTER

When life is done there's much to reap in foreign clouds,
And sail upon the greenest ocean froth,
To understand the mysteries that life shrouads.

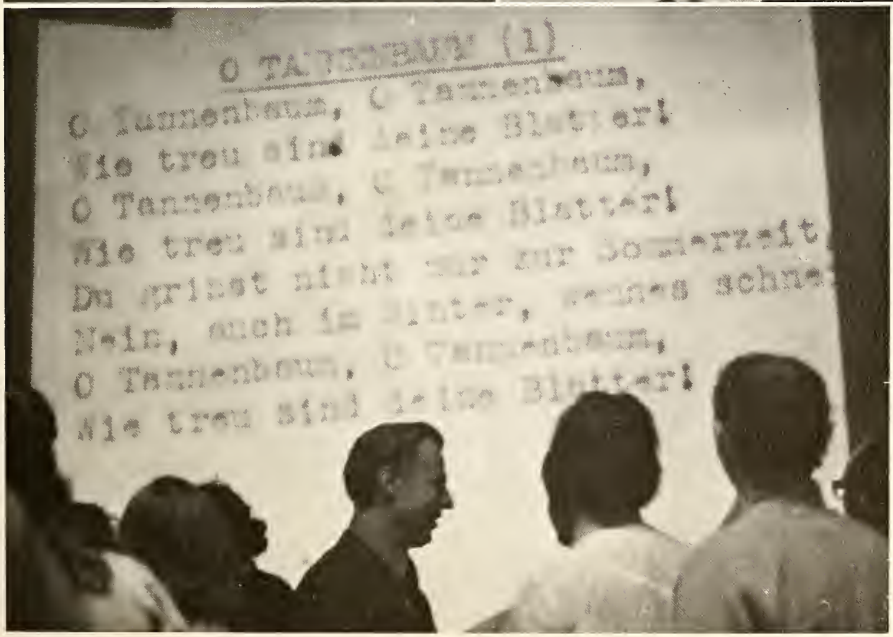

Then gather friends of tribute and of simplest love.
To make amends for ever-encompassing hate.

So that the majesty of all and every man,
May be enjoyed eternally above.

R.B.A

And I thought we were doing well singing Jingle Bells!

During the past year K.C.I.'s I.S.C.F. club has been involved in a number of interesting activities in conjunction with other clubs in our Waterloo County high school system.

Most of the regular meetings were again held in the form of "Supper Meetings" in various homes in the Twin Cities. Special speakers, variety programs, and good food make up the bulk of what goes on at these meetings. We find that they are very helpful in giving those who have spiritual interest or problems some of the answers that Christianity offers. In the fall a special "Sports Night" was held in our gym, with a good attendance and interest. During the winter a Tobogganing Party together with the other high schools was enjoyed by a good number of snow lovers.

Last summer and again in this coming summer our club sends at least one or two members to "Leadership Camp" at Poineer Camp in the Muskoka area. The idea is to assist young people to take responsibility in organizing and assisting in the various I.S.C.F. clubs in our high schools.

Staff sponsors in the past year were Mr. Poyntz and Mr. Boldt.

Math Club

This club consists of students who have a special interest in mathematics. Twice a week they meet to prepare for the annual Mathematics Contest. Once a week they meet to participate in inter-school mathematics games.

Discussion Club

This club is open to both teachers and students. Each week the club meets and takes part in an informal debate. Any topic may be discussed. Some past topics have been capital punishment, and truth in advertising. At the moment, membership is quite small, but we hope it will grow!

A MURDER, FOR WHICH THERE IS NO TRIAL

The grieving soil lies bare,
Thus tells the magic tale,
Where once magnificent majesty
Reigned as the forest's king.

It bowed to no cruel wind,
Nor shied from winter's cold,
Yet felt the fatal cursed blow
Of man's unthinking axe.

A
hundred
years of patient
time together with
The cloudburst's praise,
And sunshines psalms,
And nature's love, all
slain
In one foul moment of such thoughtless haste.

And yet, no reverent prayers,
Nor left to lie in state,
No tears, regret, or sad remorse
For such a noble prince.

Instead, t'was beat, and chained,
Then made a gallery slave,
And now? - perhaps the reluctant host
Of these unworthy words.

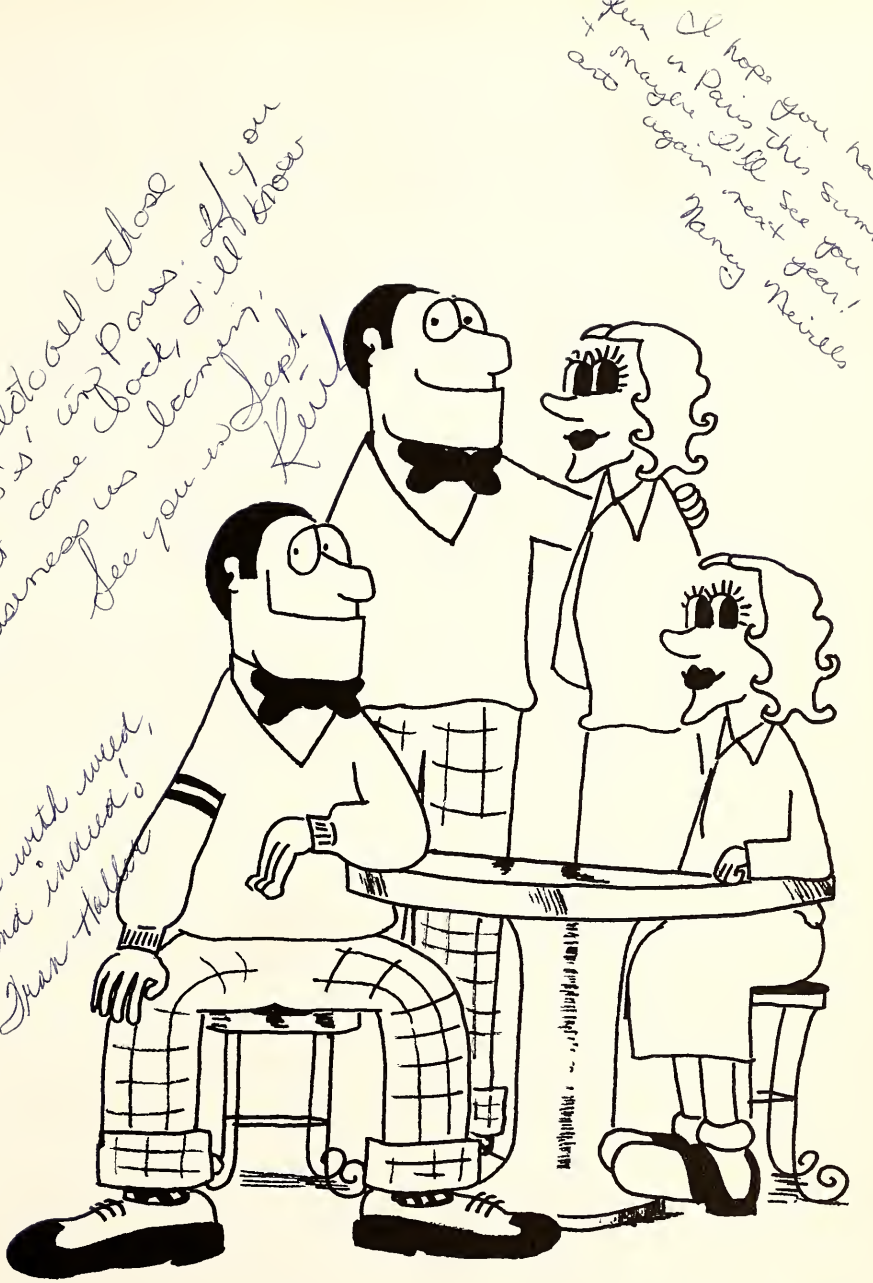

Kerry Lappin.

"You're it!"

Smile! You're on Candid Camera.

MOUNTAINS

Mountains,
you scrape the sky
And scale your saw-back mountains,
Much larger than dinosaurs
Your bones are rocks.

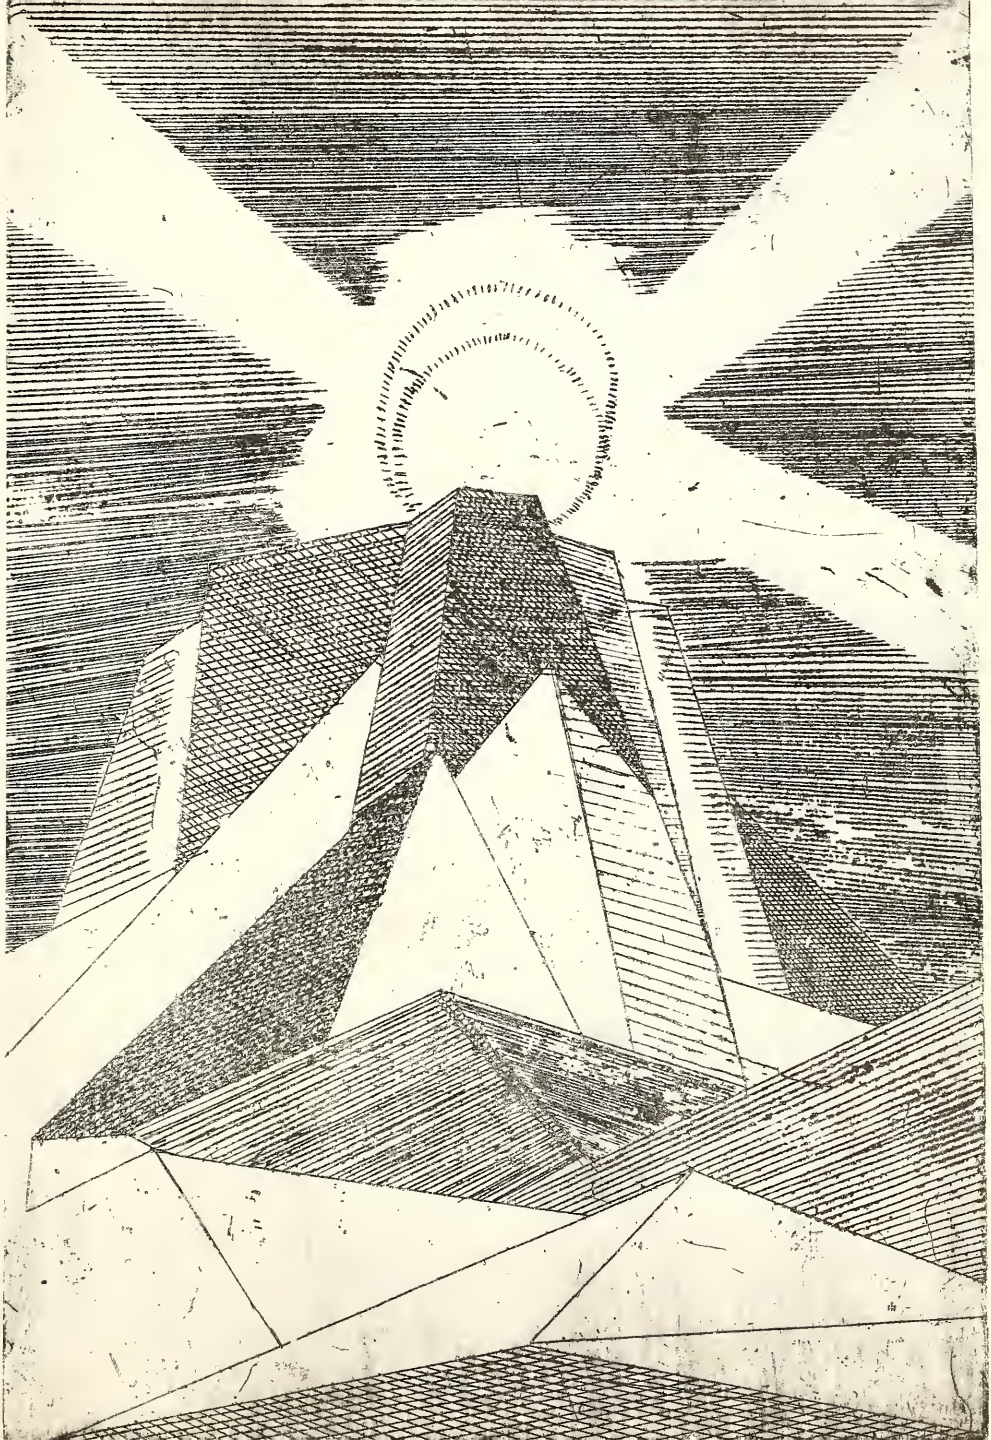

Mountains,
You peak your heads
With pride and power
Silently shouting.

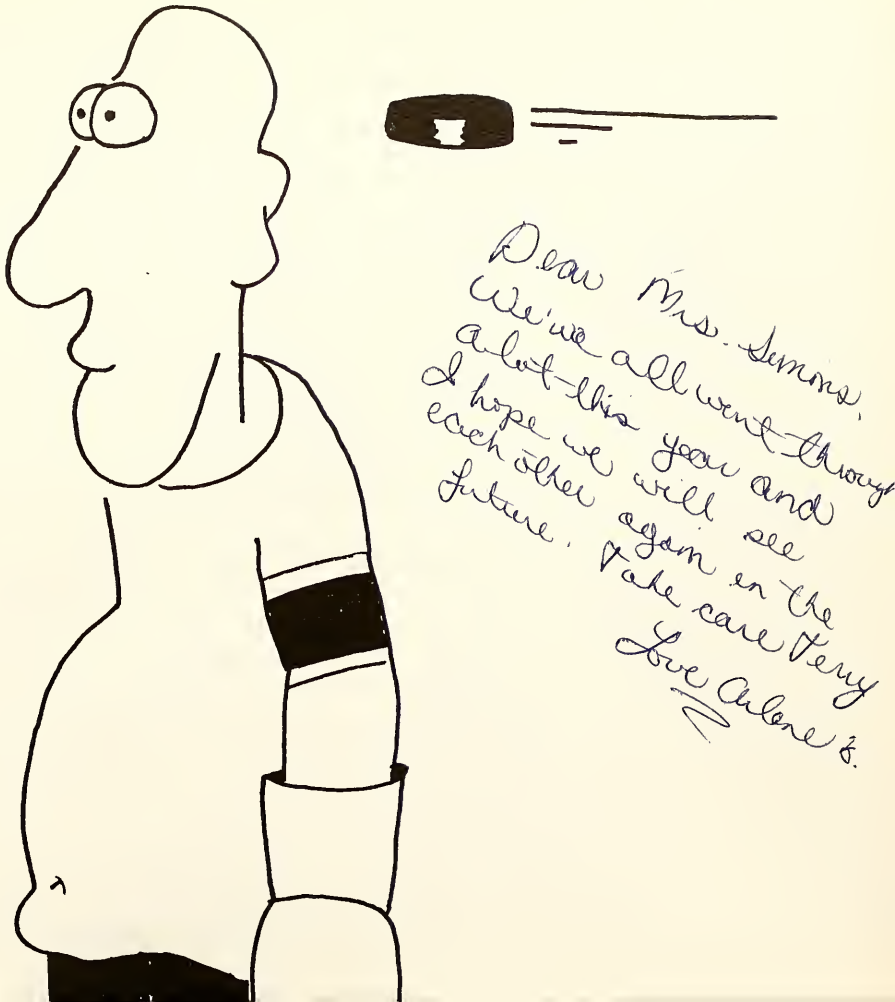

Mountains,
You squeeze the rain
From monstrous clouds
So sometimes obscured from view
Your cloaked mystery
Is confused with clouds.

Mountains,
Your twisted countenance
Furrowed and wrinkled
Reveals your age and knowledge
Of pressure and of time.

Mountains,
Whose mighty majesty
Demands never to be taken for granted.

Bruce Hougham

Dear Mrs. Simons,
We've all went through a lot this year and I hope we will see each other again in the future. Take care Very
Love Arlene's.

SECOND ROW: Mr. Saddler, Coach; Rick Jankura, Steve Mecredy, Mike (Duke) Snider, Barry Goman, Greg Doughtery, Rick Heemskerk, Doug Hoover, Bernie Hughes.
ABSENT: Ken Doughtery.

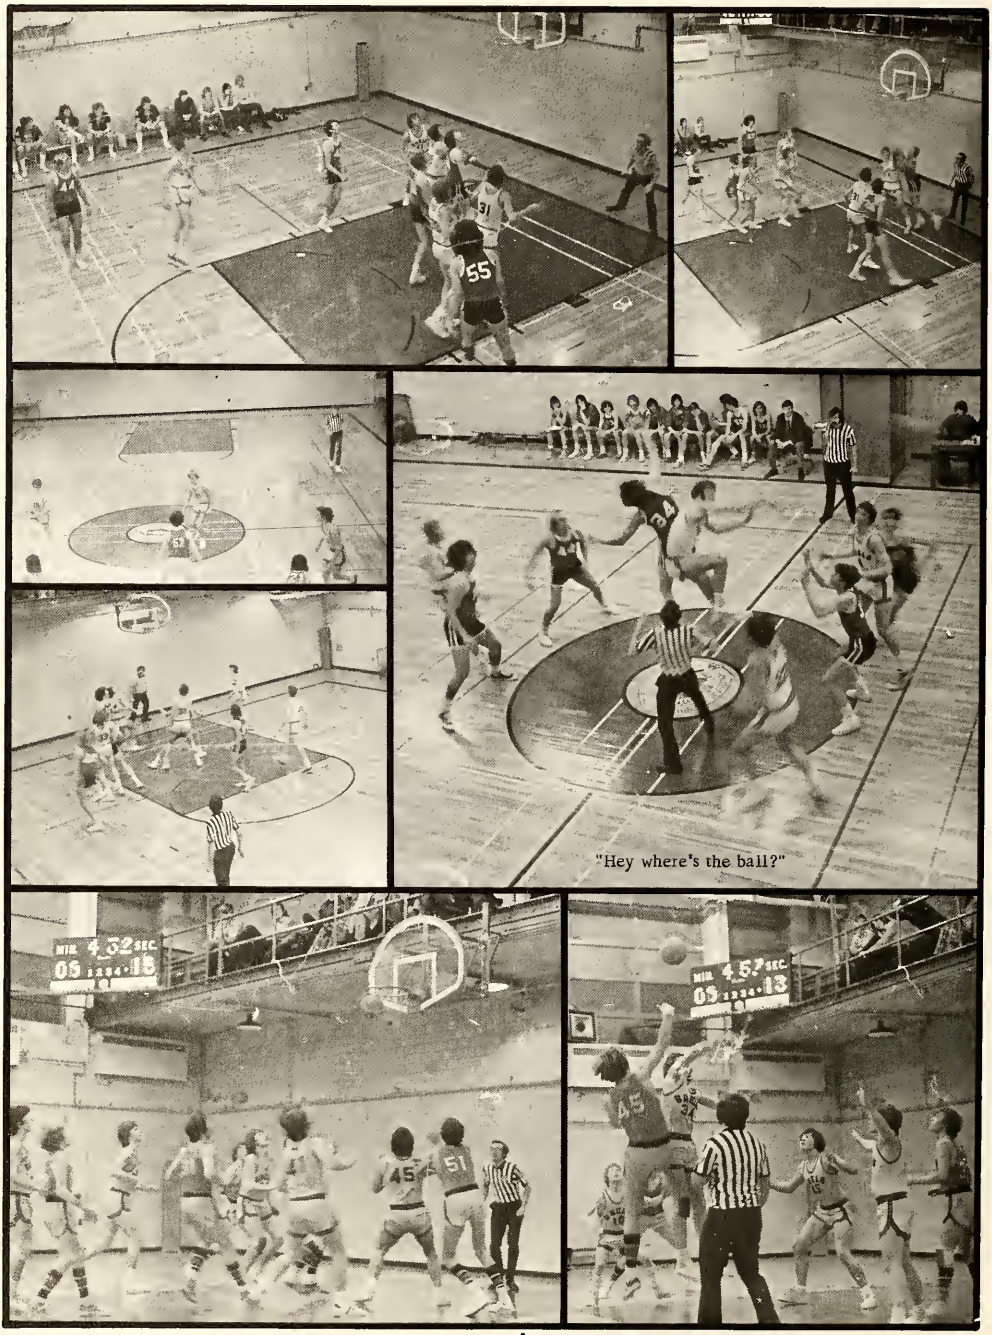

This year was supposed to be a rebuilding year for the Raider team, but Coach Saddler developed a strong group. Even though the Raiders were expected to finish well down in the standings, they reached the finals in the U. of W. Christmas tournament, won the Twin City Championship, and reached the CWOSSA finals showing that they were to be feared!

Good efforts were turned in all year by grade thirteen players Bob Wagner Ken Dougherty, Doug Hoover, Bernie Hughes, and Barry Goman.

Our future hopes look bright with the players who are returning and players moving up from the junior ranks. There are some lst string players returning who will form the nucleus of our 73'74 Raiders.

We think that this is an appropriate place to give special recognition to Bob Wagner who has in his years at KCI contributed a great deal to the success of our teams.

But all the players deserve to be congratulated for the immense improvement during the season and their great team effort .

FIRST ROW: Don Panagapka, Coach; Dave Waurenchen, Larry Zepf, Bob Emptage, Peter Folliot, John MacNoth, Manager.
SECOND ROW: Roger Membury, Steve Zepf, Jim Nichols, Bill Hamblin, William Zepf, Dave Zaraicky.
THIRD ROW: Chuck Mielke, Rod McGinnis, John Atkin, Alex Rupe, Frank Zepf.

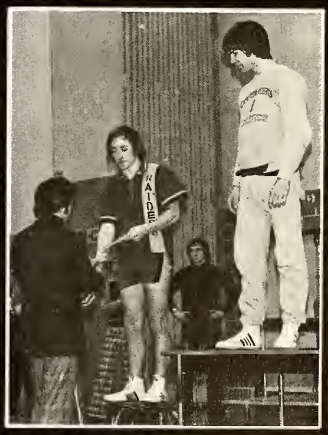

KCI's wrestling team had a very commendable season this year winning 14 consecutive dual meets for a perfect season.

Combined with last years performance their dual meet record is 27 wins, 1 loss in two years. After winning the dual meet championship KCI went on to win the Twin City Tournament Championship dethroning St. Jeromes who had held the title for 6 consecutive years.

Individual winners in the tournament were Dave Zarzycki at 99 lbs., Larry Zepf at 123 lbs., and Bob Emptage at 168 lbs. Frank and Steve Zepf, along with Bill Hamblin were runners-up in their respective weight classes. The preceding six wrestlers attended CWOSSA championships where KCI as a team placed fourth out of 38 schools. Bob Emptage and Larry Zepf were CWOSSA winners while Frank Zepf placed second. Bob, Larry and Frank journeyed to the Ontario Championships in Hamilton where KCI placed 12th out of 168 schools. Frank Zepf placed 5th at 130 lbs. and Larry placed 2nd at 123 lbs. after losing by one point in his final match which went into overtime. This ended a fantastic year for Larry, his season record being 36 wins and 2 losses. For his efforts he was voted outstanding wrestler on the KCI team.

All in all the 72-73 season was a tremendous success both for the wrestlers who contributed and for the status of athletics at KCI. Already we look forward to 1973-74.

REQUIEM FOR K.C.I.

Someone has been there before us
-- and done it all
-- and had it all
Leaving their garbage and waste for us to admire.

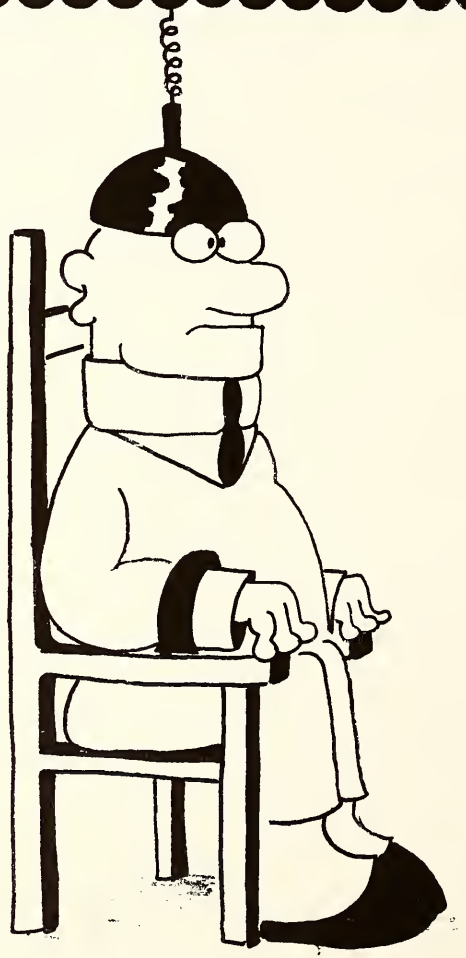

Some of us stopped to look at it.
But moved on quickly, realizing that the debris' entombing
foul fumes had long since been caused by age and over-usage.

We have envied into idleness,
We have swept the dirt from every corner,
And we have put it back as we must.
There are no more empty nooks for us to litter.

But, if we did find a naked space,
Our minds are so limited by traditional trash
I wonder if we could fill it with any fresh litter.

Money should do something. It should open up your life.

That doesn't mean you must go out and get a whole lot of money. It simply means that somebody who knows how to make his money work is going to find a lot more opportunities in life than somebody who doesn't. The Bank of Montreal is in the money business. We can show you how to make it work.

All you have to do is come in to any branch of the Bank of Montreal. Ask what a savings account or a chequing account can do for you. Ask *any* questions you have about money. We want your life to be filled with opportunities. **We want you to get your money's worth.**

"Girls night out?"

DID YOU KNOW...

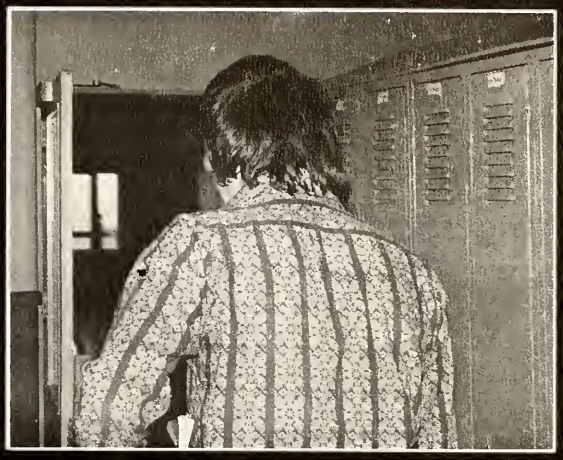

Before 1924 teachers were permitted to play on student rugby teams. In 1913 great difficulty was had in procuring enough cars for the team and a few rooters.

When the Berlin Senior Grammar School of Waterloo County, the forerunner of our present K.W.C.V.S. began in 1855, there were 30 male students and one teacher. The pupils paid three dollars per quarter and the teacher was paid six hundred dollars per annum.
